RLI News

17th June 2022

What a lovely end to the week having the sun shining. Despite the heat, the children have continued to work hard all week. There has been some incredible writing this week in all three year groups, I am so proud of all of the children's progress this year so far.

Attendance awards

This week SAM is going to Gosling Class and OTIS is going to Goose Class!

Remember:

SAM (School Attendance Matters)

OTIS (On Time In School)

Year 1 Parents

Year one would like to invite their parents, grandparents and carers to come and watch their street dance performance-

Heron Class 24th June at 2.40pm

Moorhen Class 1st July at 2.40pm

The children have been working really hard with Mrs Bliss over the past few weeks and I know that this is not to be missed!

Sports Day

This Year our Sports Day is on Friday 8th July.

Sports Day at Race Leys takes place on the Junior School field and it is set up as a Round-Robin with children taking part in different activities led by Mr Leggett. Parents are invited to attend the session for their child and follow their child around the course, it lasts about an hour.

Reception- 9.30 start

Year 1- 10.45 start

Year 2- 1.30 start (children can be signed out after)

Some Sad News

Sadly, Mrs Potter, our Reception Year Leader, has decided to leave Race Leys. Mrs Potter has worked at Race Leys for many years and has had a positive impact on the lives of many of our children. Mrs Potter will be missed by children, parents and staff. I am sure you will join me in wishing Mrs Potter every success in the future as she moves onto new challenges.

Plans for September

Over the next week or so I will be writing to tell you which class your child is in next year and which class teacher they will have. The teachers are busy creating the classes for next year to make sure they are the best fit for learning. The children may come home and say they worked in different groups in school, this is so that the staff can see the dynamics between the children as we finalise classes.

The children in Key Stage 1 (New Year 1 and 2) will return to school at 8.40 (the new time) on Tuesday 6th September. The children will enter and leave through one door per year group in September so look out for the Year group door sign.

Transition Day

On Wednesday 6th July it is the Warwickshire Transition Day for all schools. The children who are currently in Reception will spend the day in Year 1 and follow the usual routines for Year 1, including coming in and leaving through the Year 1 door.

The children who are currently in Year 1 will spend the day in Year 2 and follow the usual routines for Year 2, including coming in and leaving through the Year 2 door.

The current Year 2 children will be at their Junior schools on this day and do not need to come to Race Leys Infant school on this day.

Summer Weather

The weather as always is set to be very unsettled over the coming week or so, please can we ask that the children continue to have water bottles, sun hats and sun cream applied each morning but also to bring a coat if it is due to rain as we still go outside for break and lunch if it is raining slightly to get fresh air. Keeping hydrated is really important so a water bottle is vital!

Celebrating Learning

Over the next few weeks, Mr Leggett will be working with the Reception children to improve their balance and be able to confidently ride bikes. The children have been having a great time with huge smiles on their faces. In a few weeks time the Nursery children are going to join us too!
