

RLI News

14th January 2022

We've come to the end of the first full week in school and it has been full of exciting learning opportunities.

I am pleased to be able to welcome Mrs Farooq into Swan Class.

School Attendance for the year so far is- 92.9%

For this term so far it is- 93.2%

As a school we aim to be at 96% or above for school attendance.

A reminder that the doors open at 8.55 am, all children should be in school **before** 8.58 am.

Spare Clothing

If you have any old school uniform, joggers, socks, tights or underwear that is still in a wearable condition please can it be given to the school office to be used as spare clothing if children have accidents or need changing during the school day.

Equally, if your child has had to borrow spare clothes from school please can this be washed and returned to school so that we have it ready for the next child who needs it.

Thank you!

Volunteers

In the coming weeks/months I would like to reintroduce having volunteers coming into school to listen to readers in the afternoons. Reading is so important within school and the children having the opportunity to read to an adult is vital.

If you are able to commit to a set time each week to listen to readers please contact the school office to share your availability.

In line with our safeguarding policy, all volunteers will need to have a DBS check before coming into school.

School Lunches

Please remember, all children are entitled to a free school meal at lunchtime.

There are two hot choices per day and a cold meal option.

You don't need to book in advance, your child just needs to make their lunch choice each day during the register.

On **Thursday 20th January** the kitchen are having a themed menu day. The food is all linked to Antarctica!

The meat option is "*Fish stars in the Frosty night sky!*" (*fishcake*)

The vegetarian option is "*Bannocks with tomato topping and melted cheese*" (*Pizza breads*)

These come with potato wedges and beans or peas.

There is also ice cream or a cookie for pudding!

For more information or for a copy of the menus, please contact the school office.

Allergies

We have children in school with nut allergies so I am requesting that the school becomes a nut free zone. If your child brings a packed lunch to school please do not send products that contain nuts, this includes hazelnut spread.

This is to ensure that we keep everyone safe.

Inappropriate Game Warning

It has been brought to my attention that some children have been watching/playing an online game called "Poppy Playtime", this has a character called Huggy Wuggy. This may seem like an innocent character but it is violent and scary and comes with the 13+ age rating so please make sure your child is not accessing this game online.
