Before and After School

Just a reminder...

Dogs must not come onto site before or after school for Health and Safety reasons.

Hurst Road is still a road at all times of the day that is accessed by cars, please make sure that you use the pathways and not walk/ride or scoot on the road on the way to and from school.

New School Mascots

Introducing some new school mascots for school attendance.

SAM the Cat

(School Attendance Matters)

SAM the Cat will be awarded to the class with the best attendance each week in celebration assembly.

OTIS the Giraffe

(On Time In School)

OTIS the Giraffe will be awarded to the class who have the least amount of late children each week.

OTIS and SAM

School Lunches

From Monday 24th January, all of the children will go back to having their school lunch in the main hall. Each year group will have a 30 minute slot in the hall to eat their lunch before they go out to play.

Remember that all of the children that attend Race Leys Infant School are entitled to a free school meal and there are two hot choices and a cold meal choice every day!

Clubs

The club letters are in book bags today outlining which club your child has a place in for the Spring or Summer term.

The clubs will start next week and they will all end at 4.15. The children will be collected from the usual places.

If for any reason your child is not staying for club at any point, please let the school office know. Similarly, if your child wants to leave the club please let the school office know so that their place can be given to another child.

Heron class and Year 2 clubs will start the following week, from Monday 31st January due to staff absence.

Covid Cases

Sadly, the number of cases in school has risen significantly over the past few days. We are doing all we can to prevent the spread any further by having more windows open and increasing cleaning in the classrooms. This may mean the classrooms are slightly colder than usual so please make sure your child has enough clothes on to keep them warm.

I would like to strongly advise that all children take a Lateral Flow Test on Monday before returning to school after the weekend to prevent any further spread.

Thank you for your cooperation with this.
