Book Week!

A message from Mrs Duncan...

We have had a lovely Book Week, starting with an inspiring visit from Caryl Hart. The children were amazed to see how many books Caryl has actually written! On Monday, she led an assembly with the whole school and then worked with each year group. Thank you also to all our parents and carers who came and shared our Reading breakfasts throughout the week. It was so lovely to see so many of you! We have also enjoyed looking for books hidden around the school and each class have had book presents delivered to their classroom. On Tuesday, we had an illustrator afternoon and it was wonderful to see the whole school working on a project throughout the corridor. On Thursday, we all dressed up as our favourite book character. Finally, and most importantly, we have all enjoyed lots of stories, some read by our own teacher but we have had story swaps, where a different teacher has read to a class.

Our Extreme Reading competition was won by Eva (Y1), Lily (Y1), Rowan (Y1) and William D (Y2).

A huge thank you to the Year 3 teachers and Year 6 children who have come to read to us from Race Leys Junior school.

We are looking for a lunchtime supervisor to join our wonderful team. Please take a look at the job information and complete an application form if you would like to join us. Closing date is on Monday 6th March.

Attendance

We are working hard to ensure the children have the best possible experiences within school so that the children are able to reach their full potential.

Each week the classes can be awarded **SAM** (School Attendance Matters) or **OTIS** (On Time In School).

We have spent time this week looking closely at attendance and have found 11 children in school had **Excellent Attendance** (100%) in the Autumn Term. We had a further 30 children with **Good Attendance** (96%—99%).

All of these children will receive certificates in assembly next week—Well done children.

The attendance for this week in school is 91.7%.

We are aiming for a target of 96%.

SAM goes to **Moorhen** Class

OTIS goes to **Gosling AND Heron AND Goose** Classes

We have held two PTFA Ideas gathering meetings and are thrilled to announce that the PTFA will be holding their first AGM on **Monday 6th March at 2:30**. In this meeting we will be assigning roles such as chair, vice-chair, treasurer and secretary. Thank you to all who have offered support so far. After this meeting we can begin arranging fundraising events for our children and families to enjoy.

Hair Beware!

Could we remind parents that if the children have long hair that this must be tied up. This will limit the ease of headlice spreading from child to child.

Today the children came home with lines to learn for the Easter Production later this term. Children will be wearing their normal school uniform for the performance they will be making headaddresses as part of their learning. They won't need a costume for this production.

We are inviting Reception children to take part in the Easter Bonnet Parade this year. Our Early Years children are invited to create an Easter themed bonnet to share as part of our parade.

Some great team work in Year 1 this week!

Year 1 have been busy working practically this week in both Science and English.

Dear Year 1 Parents,

After an incredible summer that saw England become European Champions and inspire the next generation, what better time to #LetGirlsPlay.

On Wednesday 8th March 2023, the Biggest Ever Football Session is back, and this is your official invite to be a part of it.

Last year 90,000 girls took part in the Biggest Ever Football Session!

Year 1 are supporting this by turning their PE day on Wednesday 8th March into a Disney inspired Football Festival!

As this is Disney inspired, year 1 pupils are encouraged to attend school in fancy dress along the theme of Disney or Marvel. Please ensure they still have suitable footwear for PE. Children will need to wear trainers.

During the festival this pupils will be taking part in some activities exploring the Guardians of the Galaxy along with some basic football skills.

Please note, all pupils in year 1 will be supporting this and activities are designed to be fully inclusive.

We can't wait to get involved!
