

RLI News

20th May 2022

It has been a very busy week this week at Race Leys Infant School.

I cannot begin to explain how proud I am of all of the children in Year 2, over the past two weeks they have been carrying out special quizzes (SATS) in small groups and they have all tried their very best which is all we ask of them.

I want to publicly thank all of the staff involved in the smooth, well organised running of the SATS.

The Year 1 Phonics Screen Checks start on Tuesday 7th June, please remember, no holidays during that week please, it is very important that all of the Year 1 children are in that week!

RWInc Home Learning

Year 1 parents, look out for the RWInc links being sent out to support your children with sounds at home. All you need to do is click on the link and then let your child watch the videos. There will be more links sent next week and further videos sent for half term.

These videos follow the same format as our phonics sessions in school.

INSET DAY

Please remember that **Monday 6th June is an Inset Day** and the school is closed to the children. The children return from the Half Term holiday on Tuesday 7th June.

School Values Treat

The school value that we have been focussing on this half term has been Fairness. The children have been working hard to earn green tokens and the collection box is nearly full. The treat is going to be "bring a wheeled toy to school." As we have lots planned in for next week, the treat will take place on Friday 10th June. The children will be able to bring in bikes, scooters, toy cars, prams and pushchairs etc. If your child brings a bike or scooter they need a helmet.

Attendance awards

This week SAM is going to Moorhen Class and OTIS is going to Cygnet Class!

Remember:

SAM (School Attendance Matters)

OTIS (On Time In School)

Reminders for next week

Just a quick reminder about the plans for next week.

On Monday it is WEAR A CROWN DAY

On Tuesday the children need to be in PE KIT for Country Dancing Sessions

On Friday the children can wear their party clothes ready for our Street Party, see further details below.

Jubilee Street Party Arrangements

On **Friday 27th May** we will be holding our Street Party to celebrate the Queen's Platinum Jubilee, this will start at 2pm and be held on the main playground.

I just wanted to clarify some details now as it is quickly approaching.

I know that lots of people will want to attend the Street Party, as this is the first time we will be able to come together as a School Community in a very long time. I would like to request that only immediate parents (including step), carers and Grandparents attend the event; we won't have the room for extended family like aunts and uncles sadly.

On arrival to the party you will go to your child's usual "collection" door and sign your child out, they will then be in your care, this helps us to know which children are staying with the class teachers. The children who have been signed out will come out with their home time things and you are free to leave when you would like. We cannot allow the children to be signed out to other families unless we have had confirmation from them via email prior to the event.

The children will be making decorations and food for the event so we will be able to share the food with you. If you wanted to bring a few extra snacks to share with your family then you are more than welcome.

The children will also be taking part in a Country Dancing Day and will be performing to you at the event.

If it rains... we will have to move things into the hall for a smaller event- let's hope the weather stays bright for us!

A sneak peak...

This term we have been very busy at Race Leys Infant School setting up a new, engaging and exciting library for the children to use. The preparations are well underway and I wanted to give you a sneak peak of one of the walls so that you can see just how amazing this reading and learning space is going to be.

How many storybook characters can you spot in this picture?
