

Week 5

The children have been working hard to show pride in their learning, show kindness and care to each other and their environment. You may well have noticed that the Year 2's have been decorating our playground with their own bird feeders. The Warwickshire Wildlife Trust have been encouraging the children to think about how they can help the world around them. Our youngest learners, in Reception, have also been thinking about how they can help each other and have been working hard on sharing and including everyone in their play. Year 1 have been working hard on their problem solving skills this week in all areas of their learning.

This week's behaviour focus...

*We would like the children to think about **respect**, particularly thinking about focusing during learning times and showing attention to their learning.*

Attendance

SAM (School Attendance Matters) is going to the winning class... Moorhen Class

OTIS (On Time in School) is spending the week between the winning class Gosling Class.

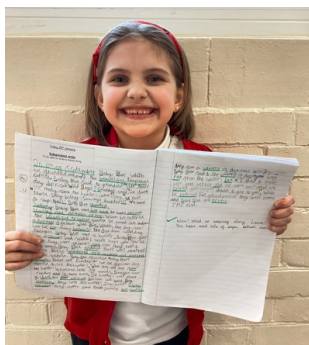

This week's Whole School Attendance is **90.6%**
 We are aiming for a target of 96%.

PTFA

This week we had our first PTFA meeting. We shared some great ideas about what we could do to support fundraising in our school. We have planned our next meeting for an after drop off time on Tuesday 14th February. We will have tea and coffee waiting at 8:45am in the school hall. Please come and join us, we already have some exciting ideas and would love to have some more people to help us.

Wonderful Writing in Year 2

The children in Swan class have shown great perseverance with their writing. They completed their independent writing and worked hard on presenting their work with pride. Well done Swan Class.

Author Visit

We are excited to share with you that we will be having Caryl Hart, the author, into school on Monday 27th February. If you would like to pre-order any of her books for the visit, then Caryl has shared a link, which we have included below.

There is also the opportunity for these books to be signed. All orders must be in place before Friday 17th February. <https://carylhart.com/schools-bookshop>
The password has been sent via Parent Mail.

Bedtime Stories

Year One enjoyed their trip to the transport museum. They got to have a good look at bikes and other vehicles from the past. They enjoyed the workshop looking at how a Penny Farthing Bicycle was a little bit wobbly and how modern bikes are much safer. Children also looked at how a wooden wheel and a rubber wheel performed on a bumpy road. Even Mrs Gurr enjoyed putting on a helmet and having a go!

PE Days

These will remain the same as this term

Reception—Tuesday

Year 1—Wednesday and Friday

Year 2—Monday and Thursday

Children must wear PE Kit to school on these days.

Can we please ask that the children wear their school jumpers or cardigans on PE Days.

NSPCC Number Day

We raised £37.09 for our day but more than this we had SO MUCH FUN!

Children took part in number challenges throughout the whole day including helping the grown ups find their Number Bond partners. The children looked great in their radiant colours and number outfits, thank you for your support with this day.

Tips For Wellness:

MOOD BOOSTERS

Each week on our SEND page of the school website you will find tips and hints of how to support Mental Health and Well Being with the **Rise Mood Booster Tips**.

How can we boost our mood?

- 1- Sunshine can help us to feel happier! If you can, try to get outside for at least 30 minutes every day. You could go for a walk (remember to wrap up warm!), play in the garden, visit the park with your friends, or another outdoor activity!
- 2- Listen to your favourite music, watch a funny video, or ask someone to tell you a joke.
- 3- Spend time with someone who makes you feel good!
- 4- Talk to a trusted adult about how you are feeling. Remember, it is OK to feel this way!
