

RLI News

15th July 2022

I cannot believe that this is now the last Friday of term and therefore the last newsletter of this academic year.

These two terms have flown by but I have loved every second. The children, staff and parents have all been so welcoming and just brilliant.

The Summer Term has been packed with amazing learning experiences and all three year groups have had the opportunity to go on a trip.

This week alone has seen the Year 2 children going on a local visit to the park for their Geography work and a trip to Brandon Marsh to go bug hunting and den building.

The whole of KS1 got to go to the church on Wednesday morning for an end of year service which was incredible. Today Year 1 and Reception have gone off to the farm, I am sure they are going to have a brilliant time.

On Wednesday, the Reception children got to do some really fun PE activities with Coventry University, the children tried so hard and really made us proud.

There is so much planned for the Year 2 children next week so that they leave Race Leys Infant School full of happy memories.

Reading Books

As it is now the end of the term, we ask that all Reading books are returned to school by Wednesday 20th July.

If you have lost your book you will need to let the office know as we will be charging for lost books.

So that you can continue to read over the holiday you can access Oxford Owl online and visit the library in Bedworth to borrow books.

The children will be given new reading books in the Autumn Term once they have been assessed to find out the correct book band/phonics phase they need.

Tesco Blue Tokens

We now have the chance to get money for resources via the Tesco Blue Token Scheme.

Every time you visit Tesco in Bedworth make sure you put a blue token (or two) in the Race Leys Infant School side of the box.

Tell your friends and family to get shopping and voting for us as well! Let's show Bedworth why we are the best school in Bedworth by coming together to help us get that funding!

Summer Holidays

The school year ends at 3.05pm on Thursday 21st July and the children return to school on Tuesday 6th September.

New Reception children start on Wednesday 7th September.

Staff Training Days 22/23

The following dates are when the school is closed for Training Days next academic year.

Monday 5th September

Monday 10th October

Tuesday 3rd January

Monday 24th July

Tuesday 25th July

Heat Wave

The forecast says that it is going to be very hot on Monday and Tuesday next week.

Please can all children have a water bottle with them, a sun hat and have sun cream applied before school.

We will be keeping the children inside as much as possible and minimising the amount of outside playtime.

We will not be having outdoor PE on these days but the children can wear their PE kits, shorts and a cotton-based t shirt.

I know lots of you are anxious about the heat and we are currently waiting for further guidance from the local authority about what we can do in school.

Celebrating Our Learning

This week the children in Year 1 have experienced a Christian Wedding Ceremony as part of their RE learning. The children wore special outfits and then acted out the wedding ceremony. I am sure you'll agree that they all looked brilliant and they learnt lots of traditions for weddings.
