

23rd June 2023

What a busy week we've had this week. Reception children have been working hard learning about postcards, camping, holidays and lots of outside play. Year 1 have been showing great teamwork and perseverance again this week. In their RE learning they created their own symbols of peace, the paper dove. Year 2 children have been practicing their songs for the end of year performance.

We are beginning to make plans for our next academic year and wanted to share some things with you. We will be swapping the location of the Year 1 and Year 2 classrooms. This will allow our current Year 1s to be working in a familiar place as they move to Year 2 and for our current Reception children to have a little more room in the new Year 1 learning area. We will also be developing our outside opportunities for play during lunch and playtime. Lots of exciting things to come.

We will be sharing with you plans for teachers and teaching assistants in school very soon. Your children have been asked who the friends are they'd like to share a class with next year, we will do our best to ensure the children are placed with at least one of their choices.

Sports Day

7th July

We are thrilled to invite you to attend this year's Sports Day.

Each of our Year Groups will take part in a carousel of events. We'd love for you to come and join us.

Reception 9.15-10.15am

Year One 10.30-11.30am

Year Two 1.45-2.45pm

Fundraising so far this year

So far this year we have held a number of events for our children including Bedtime Stories, School Discos, our Bingo event and Tip Top June.

During our Bingo evening we raised £256.51. A huge thank you to all those who came on the night.

We will have more events coming soon.

Success!

The children have filled the green token tub to the top and have therefore earned their reward afternoon of Toy Afternoon—we will let you know when this will be.

Year 1

The children in Moorhen class visited the local library this week and loved playing librarians. They have also been working hard on their comparison skills in their maths learning.

Scooters and Bikes on the Playground

Can we ask that scooters and bikes are not used on the school site before and after the school day. We've had a couple of incidents in the last few weeks. Please can you ask your children to come off their wheels as you get to the school gates.

Children must wear PE Kit to school on these days. Our PE Kit must be a **white T-Shirt**, we've noticed many colours starting to appear.

Wonderful Wednesday Lunches

Last week children had been chosen for Wonderful Wednesday lunch for showing great **Respect** in the classroom and around school.

We also had a second group of KS1 boys who joined us for lunch - we had such a lovely time eating and talking (but forgot to take a picture!). Well done boys!

Attendance

We are working hard to ensure the children have the best possible experiences within school so that the children are able to reach their full potential.

Each week the classes can be awarded **SAM** (School Attendance Matters) or **OTIS** (On Time In School).

Please call the office on the day of absence if your child is unable to attend school. We will make calls daily if needed if we are unaware of the reason that your child is off school. If you need to request a Leave of Absence please collect a form from the school office.

The attendance for this week in school is 89.9%.
We are aiming for a target of 96%.
