

RLI News

13th May 2022

What a great week we've had here at Race Leys, ending in a roar-some Wear It Wild Day!!!

This week the children in Year 2 have walked to the church following their maps, the Year 1 children have been busy learning a Street Dance Routine with Mrs Bliss and in Reception we have had the parents in school to join in with learning. It was so lovely to have the Reception parents in and seeing them doing some fantastic learning in the Reception Classes, we had mums learning sounds, role playing in the bakery, being creative in the creative area and counting magic beans in the outdoor area! The children had a great time sharing their learning.

HSBC Workshops

To enhance our Maths learning in school and to support the children with their knowledge of money, we are delighted to share that we have some adults coming to school from HSBC to carry out workshops in all three year groups. The children will be taught about savings, bank accounts and other important money matters!

Year 2 Parent Information Evening

If you missed the Year 2 Parent Information Evening on 12th May, do not worry, Mrs Langtree has added her PowerPoint to the Website. If you have any further questions please email Mrs Langtree:

Langtree.j@welearn365.com

Before and After School

Unfortunately, there are still children playing on the hump in the playground before and after school. The fence is there to show that the hump is not safe to be on and we are waiting for it to be fixed. Please do not allow your child to play in the playground before or after school. Thank you.

Attendance awards

This week SAM is going to Swan Class and OTIS is going to Goose Class!

Remember:

SAM (School Attendance Matters)

OTIS (On Time In School)

Safeguarding Concern

I just wanted to make you aware of a Safeguarding Concern that we have from the local area. On Wednesday 11th May one of our parents was approached by a stranger on Leicester Road and made her feel very uncomfortable. If anything like this happens to you please report it to school and the police.

Jubilee Street Party Arrangements

On **Friday 27th May** we will be holding our Street Party to celebrate the Queen's Platinum Jubilee, this will start at 2pm and be held on the main playground. I just wanted to clarify some details now as it is quickly approaching.

I know that lots of people will want to attend the Street Party, as this is the first time we will be able to come together as a School Community in a very long time. I would like to request that only immediate parents (including step), carers and Grandparents attend the event; we won't have the room for extended family like aunts and uncles sadly.

On arrival to the party you will go to your child's usual "collection" door and sign your child out, they will then be in your care, this helps us to know which children are staying with the class teachers. The children who have been signed out will come out with their home time things and you are free to leave when you would like. We cannot allow the children to be signed out to other families unless we have had confirmation from them via email prior to the event.

The children will be making decorations and food for the event so we will be able to share the food with you. The children will also be taking part in a Country Dancing Day and will be performing to you at the event.

If it rains... we will have to move things into the hall for a smaller event- let's hope the weather stays bright for us!

Celebrating our Learning

Goose class loved yesterday's wildlife session. We learnt all about Mrs Langtree's favourite animals, hedgehogs.

We learnt about their 5000 spikes and how they survive in the wild. When then explored the outside area to make hibernacula's for our spikey friends. Katie from the Warwickshire Wildlife Trust came in to share her expertise with the year 2 children.
