

RLI News

27th May 2022

What a fantastic half term! This half term, although short, has been packed full of exciting learning opportunities for the children. We are beginning to have more visitors in school, the children have been mixing at playtime and lunchtime and we now have trips booked in for next half term. The Year 2 children have now finished their SATS and are now focussing on being ready for Year 3. The Year 1 phonics checks take place during the week beginning 7th June.

I look forward to seeing you all back in school on Tuesday June 7th, I hope you have a great half term holiday, if you are celebrating the jubilee, I hope you have fun.

RWinc Home Learning

This week more RWinc links have been sent out to parents to support with phonics learning at home. All you need to do is click the link and watch the short videos, your child can watch them more than once, all the practice supports long term memory for Reading.

INSET DAY

Please remember that **Monday 6th June is an Inset Day** and the school is closed to the children. The children return from the Half Term holiday on Tuesday 7th June.

School Values Treat

The school value that we have been focussing on this half term has been Fairness. The children have been working hard to earn green tokens and the collector is nearly full. The treat is going to be "bring a wheeled toy to school." As we had lots planned in for this week, the treat will take place on Friday 10th June. The children will be able to bring in bikes, scooters, toy cars, prams and pushchairs etc. If your child brings a bike or scooter they need a helmet.

Attendance awards

This week SAM is going to Gosling Class and OTIS is going to Cygnet Class!

Well done Reception!

Remember:

SAM (School Attendance Matters)

OTIS (On Time In School)

A happy announcement

We are really happy to announce that Mrs Martin is expecting a baby! Mrs Martin's baby is due after the summer holidays, we are all very excited!

Royal Week

This week has been Royal Week here at Race Leys Infant School. The children have been incredibly busy learning all about the Queen, her life and her palaces. The children have really enjoyed learning facts about the Queen, in Year 1 they even thought about what they would do if they were the King or Queen!

The portraits of the Queen that have been produced by Year 1 and Year 2 are superb (see next page) and the writing that the children have produced this week has really blown me away. The Reception children have really enjoyed learning about the Queen and London.

On Thursday we had visitors from All Saints Church in Bedworth to celebrate Nicholas Chamberlain Day, we were treated to a special assembly followed by some buns. The children made us feel so proud as the whole school came together for the special assembly.

The children all look fabulous today ready for our Street Party, they have been very busy making the food and decorations, we hope you enjoy the celebrations too.

Celebrating Our Learning

This week the children have been celebrating Royal Week in style! On Monday, the children got to wear a crown and be royal for the day! On Tuesday, the children took part in a country dancing day and had a great time learning a routine! The children have also been busy making decorations and food ready for our Jubilee Celebration later today!
