16th June 2023

Another great week in school. The children have been working hard on our value of team work and are having to show lots of patience with each other, particularly in this heat. Children in Reception have been exploring their outside environment this week—looking for sea creatures, digging for treasure, making sandwiches, balance biking and riding roller coasters. This fun will continue next week as the children think about the types of holidays they can go on.

Year 1 this week have been working incredibly hard, they have been thinking about inspirational men in their lives and in the wider world. Heron class enjoyed a trip to our town library and the children have been exploring musical stories.

Year 2 have begun practising their end of year performance, the music in the halls is sounding amazing—I think we'll all be in for a treat. They also took part in a Sports Event with some of the Year 3 and Sports Teaching Team from Race Leys Junior School. This will be one of many transition events for our Year 2 children.
