'Learning together we can reach for the stars'

1. INTRODUCTION

The Head Teacher and Governing Board of Race Leys Infant School recognise the value of providing a wide range of experiences to enrich and extend pupils' learning and to contribute to their personal development. The Head Teacher and Governing Board aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities.

However, many of these activities have an associated cost and cannot be provided unless voluntary contributions are received or parents are charged for the cost.

This policy will set out the circumstances in which charges will or will not be made for school activities and when charges may be waived in order to ensure that all pupils have an equal opportunity to benefit from school visits, curricular and extra-curricular activities.

2. STATEMENT:

Our policy complies with the requirements of the Education Act 1996 and where 'parent' is referred to this will include adults with a legal responsibility for the pupil including 'carer'.

We aim:-

- To make school activities accessible to all pupils regardless of family income
- To encourage and promote external activities which give added value to the curriculum
- To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- To respond to the wide variations in family income while not adding additional unexpected burdens to the school budget

1. Admissions

There is no charge for admissions.

2. School meals

There is no charge for children who are entitled to free school meals or infant free school meals.

3. Public examinations

There is no charge for examinations that are part of the curriculum.

4. Activities that take place during school hours (this does not include the break in the middle of the school day)

There is no charge for transport during school hours to school-organised activities.

We may charge for:

- books and materials that the parent wishes the child to keep (the cost will be made clear to the parents before charge)
- optional extras (**section 5**)
- music or vocal tuition (**section 8**).

5. Activities that take place outside of school hours (non-residential)

There is no charge for activities that take place outside of school hours when they are:

- part of the set curriculum, *including sports matches against other schools*
- part of the school's basic curriculum for religious education.

Optional extras

The school will charge for optional extras. Optional extras are:

- education provided outside of school time that is **not**:
 - a) part of the National Curriculum
 - b) part of religious education
- transport that is not taking the pupil to school or to other premises where the local authority or governing body has arranged for the pupil to be provided with education.

- After school clubs and activities e.g. discos

The cost of optional extras

The head teacher will decide when it is necessary to charge for optional activities, and the levels of charge will be set annually by the head teacher on the recommendation of the finance committee. The charges, when determined, will be published on the school's website and appended to this policy.

Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. In no circumstances will there be an element of subsidy required for any pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge (**section 12**).

When calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments or equipment provided in connection with the optional extra
- non-teaching staff
- teaching staff engaged under contracts for services purely to provide an optional extra, including supply teachers engaged specifically to provide the optional extra

Participation in any optional extra activity will be on the basis of parental choice and a willingness to pay the charges. The school will need to have the agreement of parents before organising the provision of an optional extra where charges will be made.

6. Activities that take place partly during school hours either on or off site

Where the majority of a non-residential activity takes place during school hours the charging of the activity will be the same as is outlined in **section 4**.

Travelling time is included in time spent on activity.

In cases where the majority of a non-residential activity takes place outside of school hours the charge cannot include the cost of alternative provision for those pupils who do not wish to participate. So no charge can be made for supply

teachers to cover for those teachers who are absent from school accompanying pupils on a visit.

In this case the charging of the activity will be the same as is outlined in **section 5**.

7. Residential activities

The school does not take part in residential activities

8. Music tuition within school hours

Race Leys Infant School follows government legislation that states that all education provided during school hours must be free; however, music lessons are an exception to this rule.

Charges will be made if the teaching is **not** an essential part of either the National Curriculum or a public examination syllabus being followed by the pupil(s).

The school may charge for teaching requested by parents and delivered by specialist tutors given to either an individual pupil or groups of any appropriate size (provided that the size of the group is based on sound pedagogical principles) to play a musical instrument or to sing. The cost of these lessons may depend on the size and duration of the class as well as the type of instrument.

The school will not charge if the music tuition is part of the National Curriculum or public examination syllabus being followed by the student.

Race Leys Infant School is dedicated to ensuring equal opportunities for all pupils including access to specialised music tuition, therefore charges made for music tuition within school hours will be remitted for pupils on free school meals.

There is no charge for vocal or instrumental tuition for children in care. This includes instruments, music books and exam fees.

9. Extended services

Race Leys Infant school is dedicated to providing a well-rounded and extensive education for our students which includes a wide range of extra-curricular activities (extended services). Extended services enable our school to provide:

- high-quality learning opportunities either side of the school day in the form of a range of after school clubs
- ways of intervening early when children are at risk of poor outcomes, e.g. by providing access to study support, parenting support or to more specialist services (such as health, social care or special educational needs services)
- ways of increasing pupil engagement
- ways of improving outcomes and narrowing gaps in outcomes between different groups of pupils.

The total charge will not exceed the cost of providing the activity and no parent will be asked to subsidise others.

10. Damage to property and breakages

Where school property has been wilfully or recklessly damaged by a student or parent the school may charge those responsible for some or all of the cost of repair or replacement.

Where school property, such as reading books, have been damaged inadvertently, the school may see a contribution towards a replacement.

Where property belonging to a third party has been damaged by a pupil, and the school has been charged, the school may charge some or all of the cost to those responsible.

Whether or not these charges will be made will be decided by the head teacher and dependent on the situation.

11. Remissions and concessions

The school may give consideration to the remission of charges to parents or carers who receive the following support payments:

- Income Support
- Income based Job-seekers Allowance
- Child Tax Credit (where the person is not receiving Working Tax Credit as well)
- Support under part VI of the Immigration and Asylum Act 1999
- Guaranteed Element of State Pension Credit
- Income related employment and support allowance
- [Universal Credit]

Children of families who receive these payments may also be entitled to free school meals. Parents who are eligible for the remission of charges will be dealt with confidentially.

The head teacher and chair of governors will authorise the remission of charges.

The school may choose to subsidise part or all of the payment of some charges for certain activities and pupils, and this will be determined by the governing board and head teacher.

12. Voluntary contributions

The Race Leys Infant School Governing Board may ask for voluntary contributions to the school for general funds and/or to fund activities that will enrich our pupils' education.

In any case where an activity cannot be afforded without voluntary funding, this will be made clear to the parents by the school. If the activity is cancelled all monies paid will be returned to parents.

There is no obligation for a parent or carer to make any contribution and the school will in no way pressure parents to make a contribution.

13. Inability or unwillingness to pay

Race Leys Infant School is committed to ensuring fair access and treatment of all pupils, and this means ensuring that no child is excluded from an activity because the parents or carers of that child are unwilling or unable to pay. If there is insufficient funding for an activity, then it will be cancelled.

The identity of the child or parents of the child who did not want to make the payment, or could not make the payment, will not be disclosed under any circumstances.
