

<p style="text-align: center;">Research It!</p> <p>Read a traditional tale and write a book review, explaining who the main characters are, what they look like and how they behave. Also explain what happens in the story. Don't forget to say whether you liked the story or not and explain why.</p>	<p style="text-align: center;">Write It!</p> <p>Create a brand new traditional tale character, draw and label your character. Can you write a character description describing their appearance (what they look like) and their personality (how they behave)?</p>	<p style="text-align: center;">Time it!</p> <p>How quick can you get changed? Set a timer and see if you can get changed in 5 minutes. Then try 4 minutes, 3 minutes, 2 minutes. Write down how many minutes and seconds it takes you.</p>
<p style="text-align: center;">Move It!</p> <p>Make up a 'warm up' routine for the beginning of a PE lesson. Set your warm up in a forest as we will be using the forest a lot in our English learning. For example, <i>Swing your arms to cut down all the long grass. Hop on each leg past the deep mud puddles, 5 star jumps to reach the juicy strawberries hanging from the top of the bushes!</i></p>	<p style="text-align: center;">Year 2 Spring 1 Home Learning</p> <p>Each week choose one of the activities to complete at home. Return your home learning books by the following Wednesday so that you can share them your thoughts and ideas with your friends. We look forward to seeing your fantastic home learning!</p>	<p style="text-align: center;">Reading Focus for Half Term Inference Skills</p> <p>Read a story and discuss why the character feels as they do at different parts of the story. Can you think of any other stories that are similar to the one you are reading?</p>
<p style="text-align: center;"><u>Vocabulary</u></p> <p>Sharing, divide, o'clock, half past, quarter past, quarter to vertices, edges, corners, faces Seasons, weather, months Character, Setting, Plot</p>	<p style="text-align: center;">Investigate it!</p>  <p>Choose four of the above coins. What totals could you make? What is the lowest total? What is the greatest total?</p>	<p style="text-align: center;">Order it!</p> <p>Choose ten toys, write their names down on pieces of paper. Can you order the toys alphabetically? For example, car, garage, doll, ball pram, <u>ball</u>, <u>car</u>, <u>doll</u>, <u>garage</u>, <u>pram</u> If you have two words that start with the same letter look at the second letter to see which comes first in the alphabet. <u>paint</u>, <u>pram</u></p>
